

INFORMATION CENTRE DONATIONS

Thank you parents, caregivers and friends of Pasadena Intermediate School who have responded to our new **Library/Information Centre Appeal**, during the past week.

We are very grateful of your generosity and support.

With Christmas approaching, we know it is not the best time to be asking for donations.

Please be assured, there is no time limit to this appeal. We would be happy to receive your donation by post at any time.

REPORT THREE

With this Newsletter students will be issued with REPORT THREE. This report reflects our emphasis in identifying what the student can do.

Pasadena Intermediate School is required to implement the New Zealand Curriculum. The Ministry prescribes that intermediate age students should be working at Level 4.

The report is intended to give parents/caregivers an indication of academic progress and effort in all curriculum areas, relating specifically to their child.

Social, physical, artistic and cultural development are also regarded as worthy outcomes of the school's programme and attention is also focused on these important areas.

Please take the time to read and discuss REPORT THREE and the assessments and comments.

We all know that when we have tried hard we like to have our efforts acknowledged. This acknowledgement generally encourages us to strive towards even greater efforts in the future.

END OF TERM IV, END OF YEAR

Today brings to a close, a most rewarding and productive year for Pasadena Intermediate School.

It has been an extremely busy Term with Zone and Lunch Hour Sports Competitions, Choir activities, Electives, Technology and Science Activities, 2004 Orientation, last week's most successful Prize Giving, as well as all important classwork.

Most students have grasped the variety of learning experiences offered them in the class and in the school wide programmes and have been rewarded for their efforts and initiatives.

Thank you to the students who take special responsibility for activities and school operation - STUDENT COUNCIL, RECEPTIONISTS, LIBRARIANS, TECHNICIANS.

I would like to thank parents/caregivers for the support and encouragement they have given us during the course of the term, in terms of encouraging their children to participate and supporting homework and class programmes. Also a special thank you to the many parents/caregivers previously mentioned in Newsletters who have assisted with specific activities.

On behalf of parents/caregivers, I would like to both thank and compliment the teaching and support staff for their efforts during the course of the term. Their commitment and professionalism in the classroom and in the activities in the wider corporate life of Pasadena Intermediate are key reasons for the success of this school.

Thank you also to the members of the Board of Trustees for their support, guidance and efforts during the term.

To students graduating and moving on to secondary school, thank you for all you have contributed to our school, we wish you every success.

Merry Christmas and a Happy New Year.

WELCOME
