REPORT TWO

Tomorrow, Thursday 20 July, students, will be issued with REPORT TWO and they will also bring home their REPORT TWO SELF EVALUATION REPORT. Report Two reflects our emphasis in identifying what the student can do.

Pasadena Intermediate School is required to implement the New Zealand Curriculum. The Ministry prescribes that intermediate age students should be working at Level 4.

The report is intended to give parents/caregivers an indication of academic progress and effort in all curriculum areas, relating specifically to their child. Report Two also covers Term II Authentic Task. Social, physical, artistic and cultural development are also regarded as worthy outcomes of the school's programme and attention is also focused on these important areas.

Please take the time to read and discuss REPORT TWO and the SELF EVALUATION REPORT and the assessments and comments your child has made about him/herself.

We all know that when we have tried hard we like to have our efforts acknowledged. This acknowledgement generally encourages us to strive towards even greater efforts in the future.

A written report cannot give a complete picture of all factors affecting a child's progress at school. For this reason, parents/caregivers are invited to contact the school at any time if they have any information they would like to share with the school or want to know more about the current programme being offered their child.

Parent/Caregiver - Teacher Conferences also offer opportunities for the school and home to share information. As a follow up to Report Two, mid year Conferences have been scheduled for Wednesday 26 July 3.00pm - 8.00pm.

Details concerning arrangements for these Conferences will be included in the Report Folder on Thursday 20 July.

PROGRAMME DESIGN

INTRODUCTION

The Pasadena Intermediate School Learning and Teaching Programme has been modelled on The New Basics Project currently being implemented by Education Queensland and the Learning Pathways initiative currently being undertaken by Team Solutions, Auckland New Zealand.

The focus is to prepare our students for the future. It deals with new student identities, new economies and workplaces, new technologies, diverse communities and complex cultures.

OVERVIEW

The Programme has three key interlinking elements

- CURRICULUM ORGANIZERS
- PRODUCTIVE PEDAGOGIES
- AUTHENTIC TASKS

2006 ENROLMENT WEEK

Monday 14 - Friday 18
August 2006

CURRICULUM ORGANIZERS

What is taught. There are four clusters of practices that are essential for survival in the world in which our students will live and work.

Each cluster is designed to help students answer a critical question.

LIFE PATHWAYS AND SOCIAL FUTURES

Who am I and where am I going?

MULTI LITERACIES AND COMMUNICATION MEDIA

How do I make sense of and communicate with the world?

ACTIVE CITIZENSHIP

What are my rights and responsibilities in communities, cultures and economies?

ENVIRONMENTS AND TECHNOLOGIES

How do I describe, analyse and shape the world around me?

PRODUCTIVE PEDAGOGIES

Productive Pedagogies are classroom strategies that teachers can use to focus instruction and improve student outcomes. When planning learning experiences, teachers can review the pedagogies to see which are best suited to teaching the particular knowledges and skills involved.

There are 20 Productive Pedagogies grouped under four categories.

- RECOGNITION OF DIFFERENCE
- CONNECTEDNESS
- INTELLECTUAL QUALITY
- SUPPORTIVE CLASSROOM ENVIRONMENT

SCHOOL AND AUTHENTIC TASKS

The Curriculum is delivered via Authentic Tasks. The Tasks are carefully planned units of work, that scaffold and present the four Clusters of Practice (CURRICULUM ORGANIZERS) and the Repertoires of Practice.

The Tasks are intellectually challenging and have real-world value, two characteristics which research identifies as necessary for improved student performance.

Authentic Tasks represent the culmination of student engagement with the curriculum and are the basis of high quality assessment, evaluation and reporting.

The Authentic Task for Term III is ... *'How does Science impact on our lives? which will culminate in each class making presentations to parents in Week 9 of the Term.*

Authentic Tasks do not replace or diminish our focus on teaching numeracy and literacy.

HELP!

I have a relative in the UK who would like to complete a section of her Nursing Training (Adult Mental Health) in a NZ Hospital.

If you are in the health sector, 'have connections' in hospitals or could advise me on how I might best arrange this, I would be most grateful! Please telephone (846-2169) or email (office@pasadena.school.nz) the office urgently.

To raise funds for their activities and approved charities, the Student Council held a Mufti Day last Term

Over \$600.00 was donated by students and will go towards upgrading the 'Class Kits' - equipment for group and individual Interval and Recreation Time games and activities .

The 2006 Pasadena Intermediate School English and Maori Speech Competitions finals will be held at a special Assembly on Friday 18 August, commencing at 10.35am.

2007 ENROLMENT

We also welcome enquiries regarding our programmes and courses and enrolments from other areas. Application for enrolment from full fee paying students are accepted.

I know secondary schools are already busy with 2007 enrolments and I know this flurry of activity often alerts parents to start considering intermediate enrolment.

The school is always open for visits. Pasadena staff and students will be available to meet with prospective enrolments and their parents wishing to inspect the campus, view the facilities and discuss programmes and student's individual educational needs.

Our 2007 Enrolment and Orientation activities are conducted in Terms II, III and IV.

We will accept enrolments for 2007 at any time.

Enrolment Week: 14 - 18 August 2006 and Open Door Day, Wednesday 16 August have been set aside for parents/caregivers to complete enrolments.

Our 2007 Prospectus and Enrolment Information and Form have been forwarded home with Year 6 students from Pt Chevalier, Waterview, Gladstone, Grey Lynn, Westmere, Bayfield, and Mt Albert schools and will be available from the offices of other primary schools.

Parents wishing to have Enrolment Information and Forms mailed direct, need only telephone the school, 846-2169 and ask Linda or Louise, the School Administration Staff.

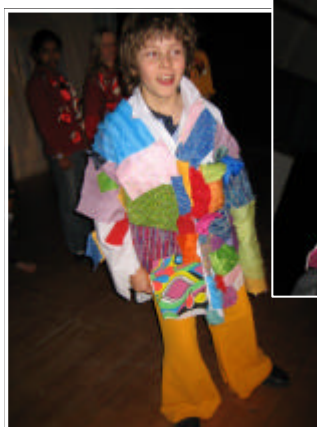

Enrolments may be completed in person at the Pasadena Intermediate School Office, or may be posted to the school. Payment of costs and contributions is not a prerequisite for NZ resident's enrolment.
