## END OF TERM IV, END OF YEAR

Today brings to a close, a most rewarding and productive year for Pasadena Intermediate School.

It has been an extremely busy Term with Zone and Interclass Sports Competitions, Choir activities, Technology and Science Activities, 2006 Orientation, last night's most successful Prize Giving, as well as all important classwork.

Most students have grasped the variety of learning experiences offered them in the class and in the school wide programmes and have been rewarded for their efforts and initiatives.

Thank you to the students who take special responsibility for activities and school operation - STUDENT COUNCIL, RECEPTIONISTS, LIBRARIANS, TECHNICIANS.

I would like to thank parents/caregivers for the support and encouragement they have given us during the course of the term, in terms of encouraging their children to participate and supporting homework and class programmes. Also, a special thank you to the many parents/caregivers previously mentioned in Newsletters who have assisted with activities.

On behalf of parents/caregivers, I would like to both thank and compliment the teaching and support staff for their efforts during the course of the term. Their commitment and professionalism in the classroom and in the activities in the wider corporate life of Pasadena Intermediate are key reasons for the success of this school. A special thank you and best wishes to Miss Finlayson, leaving Pasadena to take up a teaching position at Red Beach Primary School.

Thank you also to the members of the Board of Trustees for their support, guidance and efforts during the term.

To students graduating and moving on to secondary school, thank you for all you have contributed to our school, we wish you every success.

Merry Christmas and a Happy New Year.

## REPORT FOUR

With this Newsletter, students will be issued with REPORT FOUR. This report reflects our emphasis in identifying what the student can do.

Pasadena Intermediate School is required to implement the New Zealand Curriculum. The Ministry prescribes that intermediate age students should be working at Level 4.

The report is intended to give parents/caregivers an indication of academic progress and effort in all curriculum areas, relating specifically to their child.

Social, physical, artistic and cultural development are also regarded as worthy outcomes of the school's programme and attention is also focused on these important areas.

Please take the time to read and discuss REPORT FOUR and the assessments and comments.

We all know that when we have tried hard we like to have our efforts acknowledged. This acknowledgement generally encourages us to strive towards even greater efforts in the future.

## END OF YEAR TRIP

Despite the rain, the End of Year Trip to Waiwera on Monday was a huge success.

Thank you students for your excellent behaviour. Thank you Teachers for the excellent organization and thank you to all the parents and caregivers who assisted on the day.

# prize 2006 giving

Thank you to all the parents/caregivers who attended last night's Prize Giving. It was an extremely successful event, highlighting the success and achievement of our students and the professionalism of our Staff.

Thank you also parents/caregivers for your many expressions of thanks and appreciation.

## HEALTH EXPO

Thank you to all the parents who attended our Health Expo Open Day. It was certainly a colourful, high energy occasion!

The enterprises on display were the culmination of Term IV's Authentic Task that involved brainstorming, posing questions, market research, planning, production and marketing.

Judging from the many discussions that were going on between the 'sales persons' and potential customers, you were very interested in the proposals and the students knew what they were talking about! Your critique certainly helped.

## IMPROVEMENT PLAN 2 - History Murals

Last Week, we officially dedicated our new History Murals.

It was a wonderful occasion, with a welcome, items by students, cutting of the ribbon by Mrs Elliott, Ms Oates and the students in the project group and a blessing by Kaumatua Ben Tawhiti. Thank you parents and friends of the school who attended.

You will remember in Term III 2005, Pasadena Students were challenged to prepare 'School Improvement Plans.' The ideas presented were varied and creative - uniform changes, video security, recycling, playgrounds, gardens, Foods Programme menu, covered heated swimming pool ...

The second part of the challenge was to cost and market the plan to the BoT. At the 2005 September Meeting of the BoT, using a variety of media, models and persuasive techniques, students presented their ideas to the Board, hoping to secure funding.

After lengthy deliberations, the Board selected three plans.

The History Murals Project was one of the three selected.

With the Board funding, under the guidance of our Art Teacher, Mrs Sue Elliott, students from this year's Art Extension Groups have spent the year designing and painting the 7 murals and bringing the 2005 Room 9 Students vision to life!
