

HONOURS

Students receive recognition for their achievements, contributions and participation through our Special Effort Awards programme. In keeping with the school's philosophy and mission statement, we further recognise those students who participate, contribute and achieve in the full range of activities available at Pasadena through our Honours Award programme.

To qualify, students must have consistently displayed the standards as described in the Pasadena Code (Page 17 2004 Student Information Book) and receive a minimum of 10 awards as follows:

2 Technology; 2 Cultural/Arts; 2 Sport/P.E./ Fitness; 2 From Classroom Teacher for class work and 2 others. The 2 others must be from different categories.

Students who believe they have qualified, apply to the Principal with their awards. If the Principal is satisfied the student has the required awards, the student receives an Application Form.

The Applicant must complete a self evaluation - if the Applicant believes he or she has not consistently met any of the standards described in the Pasadena Code, the Applicant should mark the Application Form accordingly and sign.

The Application Form must be taken to each of the following -

- Classroom Teacher
- The Syndicate Manager
- Specialist Teachers the Student is Currently Working With

If a Teacher believes the Applicant has not consistently met any of the standards described in the Pasadena Code, the teacher will explain this to the Applicant and mark the Application Form accordingly. When the Applicant has met with all Teachers, the Application Form should be returned to the Principal.

If the Applicant's self evaluation shows and all the Teachers have been satisfied the student has consistently displayed the standards as described in

the Pasadena Code, the Application is taken to the next full Staff meeting for final approval.

The student will be presented with the Honours Badge and Certificate at the next Friday Assembly.

If the Applicant's self evaluation shows or if any of the Teachers have not been satisfied with the student's performance and have marked the Application Form, the Principal will discuss the matter with the student and set a date one term hence when the student can reapply.

During their time at Pasadena, students may qualify for and receive more than 1 Honours Award.

For significant or repeated breaches of the Pasadena Code, a student may have their Honours Status removed. A student who has had Honours Status removed is entitled to earn 10 new awards and reapply.

VALUABLES, MONEY, CLOTHING

In a large institution there always exists the possibility that items of property will be lost or go missing. It cannot be too strongly emphasised that parents/caregivers can assist the school by clearly labelling all items of clothing and equipment.

When an item of clothing is lost, students should check in the lost property in the sick bay. Parents/caregivers are also welcome to check. At the end of each year, unclaimed clothing is forwarded to a local charitable organization.

Large sums of money or articles of substantial value, eg. electronic games must not be brought to school. When necessary, teachers will hold money for safe keeping on the understanding that all due care is given, but no responsibility is accepted.

TERM III HOLIDAYS

School will close for the end of Term III at 2.00pm on Friday 17 Sept and reopen for Term IV at 8.45am on Monday 4 October.
