Behaviour Management

Managing behaviour relies on consistently applying both our school's behaviour plan and strategies to promote positive student behaviour.

At Pasadena Intermediate School:

- Teachers maintain positive learning environments and relationships with students.
- We make a clear statement of acceptable and unacceptable behaviour known to all staff, parents, and students.
- All members of the school, including the students themselves, have a responsibility to recognise **bullying** and to take action when they are aware of it happening.
- We consistently apply a discipline plan in all cases of unacceptable behaviour.
- The school actions the procedures outlined by the Ministry of Education for the **stand-down, suspension, or exclusion** of students, in cases of extreme and persistent behaviour.
- Individual programmes and strategies for students with particular behaviour difficulties are devised with parents and staff, and outside agencies if necessary, and these students may be dealt with outside the school's behaviour plan.

Parents' concerns about student behaviour

If a parent has a concern about an incident at school, the parent should contact the school and the school will deal with the concern. The school believes that parents should not approach other children or parents about school behaviour incidents.
